

(d) Any person whose petition for access is approved pursuant to paragraph (c) of this section shall comply with the regulations set forth in this subpart, including § 2.1003 and agree to comply with the orders of the Pre-License Application Presiding Officer designated pursuant to § 2.1010 of this subpart.

[54 FR 14944, Apr. 14, 1989, as amended at 56 FR 7795, Feb. 26, 1991]

**§ 2.1009 Procedures.**

(a) Each potential party, interested governmental participant, or party shall—

(1) Designate an official who will be responsible for administration of its Licensing Support System responsibilities;

(2) Establish procedures to implement the requirements in § 2.1003 of this subpart;

(3) Provide training to its staff on the procedures for implementation of Licensing Support System responsibilities;

(4) Ensure that all documents carry the submitter's unique identification number;

(5) Cooperate with the advisory review process established by the LSS Administrator pursuant to § 2.1011(e) of this subpart.

(b) The responsible official designated pursuant to paragraph (a)(1) of this section shall certify to the LSS Administrator, at six month intervals designated by the LSS Administrator, that the procedures specified in paragraph (a)(2) of this section have been implemented, and that to the best of his or her knowledge, the documentary material specified in § 2.1003 of this subpart has been identified and submitted to the Licensing Support System.

**§ 2.1010 Pre-License Application Presiding Officer.**

(a)(1) The Commission may designate one or more members of the Commission, or an atomic safety and licensing board, or a named officer who has been delegated final authority on the matter (Pre-License Application Presiding Officer) to rule on all petitions for access to the Licensing Support System submitted under § 2.1008; disputes over the entry of documents during the pre-li-

cense application phase, including disputes relating to relevance and privilege; disputes relating to the LSS Administrator's decision on substantial compliance pursuant to § 2.1003(h); discovery disputes; disputes relating to access to the Licensing Support System; disputes relating to the design and development of the Licensing Support System by DOE or the operation of the Licensing Support System by the LSS Administrator under § 2.1011, including disputes relating to the implementation of the recommendations of the LSS Advisory Review Panel established under § 2.1011(e).

(2) The Pre-License Application Presiding Officer shall be designated six months before access to the Licensing Support System is scheduled to be available.

(b) The Pre-License Application Presiding Officer shall rule on any claim of document withholding to determine—

(1) Whether it is documentary material within the scope of this subpart;

(2) Whether the material is excluded from entry into the Licensing Support System under § 2.1005 of this subpart;

(3) Whether the material is privileged or otherwise excepted from disclosure under section 2.1006 of this subpart;

(4) If privileged, whether it is an absolute or qualified privilege;

(5) If qualified, whether the document should be disclosed because it is necessary to a proper decision in the proceeding;

(6) Whether the material should be disclosed under a protective order containing such protective terms and conditions (including affidavits of non-disclosure) as may be necessary and appropriate to limit the disclosure to potential participants, interested governmental participants and parties in the proceeding, or to their qualified witnesses and counsel. When Safeguards Information protected from disclosure under section 147 of the Atomic Energy Act, as amended, is received and possessed by a potential party, interested governmental participant, or party, other than the Commission staff, it shall also be protected according to the requirements of § 73.21 of this chapter. The Pre-License Application Presiding

Officer may also prescribe such additional procedures as will effectively safeguard and prevent disclosure of Safeguards Information to unauthorized persons with minimum impairment of the procedural rights which would be available if Safeguards Information were not involved. In addition to any other sanction that may be imposed by the Pre-License Application Presiding Officer for violation of an order pertaining to the disclosure of Safeguards Information protected from disclosure under section 147 of the Atomic Energy Act, as amended, may be subject to a civil penalty imposed pursuant to § 2.205. For the purpose of imposing the criminal penalties contained in section 223 of the Atomic Energy Act, as amended, any order issued pursuant to this paragraph with respect to Safeguards Information shall be deemed an order issued under section 161b of the Atomic Energy Act.

(c) Upon a final determination that the material is relevant, and not privileged, exempt from disclosure, or otherwise exempt from entry into the Licensing Support System under § 2.1005 of this subpart, the potential party, interested governmental participant, or party who asserted the claim of withholding must submit the document to the LSS Administrator within two days for entry into the Licensing Support System.

(d) The service of all pleadings, discovery requests and answers, orders, and decisions during the pre-license application phase shall be made according to the procedures specified in § 2.1013(c) of this subpart.

(e) The Pre-License Application Presiding Officer shall possess all the general powers specified in §§ 2.721(d) and 2.718.

(f) The Commission, in designating the Pre-License Application Presiding Officer in accordance with paragraphs (a) (1) and (2) of this section, shall specify the jurisdiction of the Officer.

#### **§ 2.1011 LSS management and administration.**

(a) The Licensing Support System shall be administered by the LSS Administrator who will be designated

within sixty days after the effective date of the rule.

(b)(1) Consistent with the requirements in this subpart, and in consultation with the LSS Administrator, DOE shall be responsible for the design and development of the computer system necessary to implement the Licensing Support System, including the procurement of computer hardware and software, and, with the concurrence of the LSS Administrator, the follow-on redesign and procurement of equipment necessary to maintain the Licensing Support System.

(2) With respect to the procurement undertaken pursuant to paragraph (b)(1) of this section, a representative of the LSS Administrator shall participate as a member of the Source Evaluation Panel for such procurement.

(3) DOE shall implement consensus advice from the LSS Advisory Review Panel under paragraph (f)(1) of this section that is consistent with the requirements of this subpart.

(c)(1) The Licensing Support System, described in § 2.1002, shall not be part of any computer system that is controlled by any party, interested governmental participant, or potential party, including DOE and its contractors, or that is physically located on the premises of any party, interested governmental participant, or potential party, including DOE and that of its contractors.

(2) Nothing in this subpart shall preclude DOE, NRC, or any other party, potential party, or interested governmental participant, from using the Licensing Support System computer facility for a records management system for documentary material independent of the Licensing Support System.

(d) The LSS Administrator shall be responsible for the management and administration of the Licensing Support System, including the responsibility to—

(1) Implement the consensus advice of the LSS Advisory Review Panel under paragraph (f) of this section that is consistent with the requirements of this subpart;

(2) Provide the necessary personnel, materials, and services for operation and maintenance of the Licensing Support System;
